Adopted on June 10, 2009, at the sixth meeting of the College Affairs Council in the second semester of the academic year 2008

Adopted on December 23, 2010, at the first meeting of the College Affairs Council in the first semester of the academic year 2010

Amendments to Provisions I and V promulgated with the consent from the President dated February 16, 2011

Amendments adopted on December 26, 2014, at the first meeting of the College Affairs Council in the first semester of the academic year 2014

Amendments to Provision IV promulgated with the consent from the President dated January 4, 2015

Amendments to Provisions I and III and the title adopted by the College Affairs Council on March 30, 2021, and promulgated with the consent from the President dated on April 16, 2021

- I. The Guidelines on Reviewing Qualifications for Doctoral Dissertation Oral Defense by College of Intelligent Science and Technology at I-Shou University (hereinafter referred to as "the Guidelines") are made by the College of Intelligent Science and Technology (hereinafter referred to as "the College") to review the qualifications for doctoral dissertation oral defense.
- II. A review panel for the qualifications for doctoral dissertation oral defense shall be established by the College. The review panel is composed of three to five members appointed by the Dean of the College. The Dean of the College shall serve as the ex-officio member and convener of the review panel.
- III. Doctoral candidates shall not file an application for doctoral dissertation oral defense to the College until their departments verify their qualifications.

- IV. The academic works of applicants for doctoral dissertation oral defense shall include journal papers published or certified to be published and international conference papers presented orally in person.
- V. The Guidelines become effective on the third day of promulgation after being adopted by the College Affairs Council and ratified by the President.

Note: In case of any disputes or misunderstanding regarding the interpretation of the language or terms of these Guidelines, the Chinese language version shall prevail.
